UI/UX · WEB DESIGN · GRAPHIC DESIGN

732.210.7878 | hello@emmettromilio.com | Old Bridge, NJ 08857 | emmettromilio.com

01 OBJECTIVE

Recent Graphic Design graduate specializing in UI/UX and web design, with hands-on experience building brand identities and websites from concept to launch. Skilled in Figma, WordPress, and front-end fundamentals (HTML/CSS/JS), with a strong eye for typography, layout, and visual consistency across digital and print.

02 SKILLS

Photography & Image Handling · Attention to Detail · Customer Service & Sales · UI/UX Design & Wireframing · Creative Problem-Solving

Adobe Creative Suite (Photoshop, Illustrator, InDesign) · Figma · HTML, CSS & JavaScript · WordPress, Squarespace & Wix · Branding & Visual Identity · Typography, Layout & Color Theory · Database Design & Data Organization

03 EXPERIENCE

Photo Assistant & Salesperson · *Eyeris Art Experience*

MAY 2026 · PRESENT

- Captured close-up photographs of customers' eyes and helped turn the images into personalized artwork and merchandise.
- Worked directly with customers during the photography and product-selection process, answering questions and helping them choose finished pieces.
- Checked images and production details for consistency and accuracy while keeping the customer workflow organized.
- Balanced photography, sales, and production responsibilities in a fast-paced, customer-facing environment.

Contract Web Designer · *T.E.M. Studios*

SPRING · SUMMER 2026

- Led a full brand update, creating a new visual identity, logo system, and brand guidelines.
- Designed and built a complete website from the initial concept through launch.
- Worked independently with the client and kept visual details consistent across the website and branding materials.

Web Designer (Intern) · *The Parker Homestead 1665*

FALL 2025 · SUMMER 2026

- Redesigned and rebuilt the organization's website across WordPress, Squarespace, and Wix as the sole web designer.
- Designed and coded an HTML/JavaScript database to organize the historic book, vinyl, and artifact collection.
- Created and launched a branded merchandise line, handling the visual design from concept through finished products.

Graphic Design Intern · *Furtrieve*

SUMMER 2024

- Designed app store screens, social media assets, and marketing advertisements for a mobile app launch.
- Created digital graphics for multiple marketing channels while following the established visual direction.
- Applied typography, layout, and visual design principles to create clear promotional materials for the launch.

04 EDUCATION

BFA, Design and Animation · Monmouth University

Concentration in Graphic and Interactive Design · West Long Branch, NJ · Graduated August 2026
